

The Seventh Bride of President Chapter 1 To 5

Chapter 1: Combination of double surnames

There is such a woman who does not show off, does not argue, is not empty, and is not impetuous. Even if her life is exhausted, she wants to grow old in grace.

She is the eldest daughter of the Yasmine family, Yasmine Taylor. Whether it is in the old feudal society or in the present age of peace and prosperity, the eldest son and eldest daughter are extremely favored, but the Yasmine family is an exception, because the eldest daughter of their family is an illegitimate daughter.

It is difficult to say that Yasmine Changfeng carried it back then.

The wife was born with a dancing girl.

Since yesterday, city B has spread an explosive news that the city's wealthy Sebastian's sixth daughter-in-law has divorced again.

Hor this reason, the old lady of Sebastian went up to the mountain to burn incense and divination, praying for the gods to solve the disaster, how can we prevent similar The tragedy happened repeatedly.

The real highlight is here.

The monk who is fortune-telling for the old lady of Sebastian said: Only the combination of the surname and the surname can avoid the tragedy of divorce again and again. City B is not an ordinary small city, with a developed economy and a large population. Naturally, there are no few surnames.

The old lady of Sebastian became worried after hearing the words of the eminent monk. With so many people with surnames, whose daughter is the most suitable daughter of her Sebastian family? After some consideration, she decided to hold a blind date banquet.

In layman's terms, she would let her son choose a person he liked.

Of course, she would not let someone else's daughter marry in vain.

If the blind date is successful, the gift will be 1,000. Eight million. Not everyone has such a chance to run for the election.

It must be a surname.

As soon as the news came out, the whole city was a sensation.

This year, riches can make ghosts push away, even if the other party is a demon who has been married six times. Eighty-eight million, the women who were sent to the door were also one after another, one after another.

A golden door failed to stop the quarrel from inside the house—— “Are you crazy? Let Gillian apply? Don't you know how cold-blooded and surly devil Sebastian Simons is? You? This is simply killing our daughter!” It was Sebastian Changfeng's Yuan Pei's wife Ruan Jinhui, who was known to have a violent temper.”Do you think I am willing? It is because the company needs capital turnover.

The marriage of Sebastian Simons never lasts long. Maybe it will be divorced in one month or three months.

As long as our Gillian bears a little bit, we can get 18 for nothing. Why don't you take a million? “It's a light word, just bear it a little bit. Who wants us Gillian if we are divorced? Even to solve the company's crisis, we don't need Gillian to solve it for you...”

“Then who will solve it for me? People named me and asked for a surname.”

“Are you stupid, don't you still have a daughter? Of course, this kind of 'honorable' task belongs to Yasmine Taylor.”

Standing in the corner, there was a woman.

The quiet woman with Zhang Qingxiu's vulgar face, the corner of her lips evoked a sarcastic smile. People who never recognized her, but at this time, finally admitted that she was the daughter of the Yasmine family.

Chapter 2: The Glorious Mission

In the spacious and bright living room, Ruan Jinhui burst into tears, and cried pretentiously for almost half an hour at Yasmine Taylor who was sitting next to her.”Aya, you also know that the financial manager of your dad's company absconded with money, causing the company to fall into a huge crisis. Now banks are urging loans.

If we don't repay the debt, not only will the company go bankrupt and your dad will go to jail..."

"What do I need to do?" She asked concisely, not wanting to waste a small part of her life listening to such false lines. Ruan Jinhui winked at her husband, and Yasmine Changfeng immediately showed a sad expression and said, "Now there is a way to save Dad, that is, you marry Sebastian Simons, the only son of Sebastianjia, the city's richest man.

It's just..."

He paused. "It's just that the rumors from the outside world are not very good to him, but they are just rumors. We occasionally have intersections in the mall.

He is a very good man.

He has a sense of love and responsibility, and most importantly, he is very good."

Although she had been used to it, her heart still tingled slightly.

The man who closed the door was cold-blooded and ruthless.

In front of her, the man became a sense of love and responsibility, although she was the same as Yasmine Changfeng. www.onlinefreenovels.com

She never thought that he was worthy of being called a father."I have been married six times, right?" She raised her eyes indifferently, and the bitterness that she has been under the fence for many years has created her indescribable calmness."Yes."

Ruan Jinhui sniffed, and grabbed her hand: "This is where I feel guilty.

The stepmother is not good enough.

If it weren't for Gillian who is still young, I really can't bear to wrong you like this."

Oh, Yasmine Taylor smiled mockingly in her heart, but only three days younger than her. Back then, Ruan Jinhui and her mother were pregnant at the same time, one March, one April, but the premature birth in April was born before March.

Therefore, she who was supposed to be the second daughter became the eldest daughter instead.

Said she was the eldest daughter, but she never enjoyed the treatment of the eldest daughter."En, okay."

"You agreed?" The Sebastian and his wife looked at each other.

They didn't expect that she would agree so readily.

They originally thought that if she didn't agree, she would give the gift money three or seven cents.

Of course, they seven, she three."Yes, you raised me so big, so I should do something for the family."

"Look, see, you deserve to be a teacher, you know more and understand things, if Gillian is half as sensible as you , I have to laugh in my dreams."

Don't wait until dreaming, you can laugh now. ...

In the early morning, outside the gate of Yasmine's foreign-style building, a line of people stood to see off.

Today is the last day of the Sebastian family to choose a wife. Under Ruan Jinhui's meticulous dressing, Yasmine Taylor is like a peony flower in bud, beautiful but not demon, glamorous and not vulgar, incomparably charming and charming."You haven't forgotten what you just told you in the room?" "No."

"That's good, we are waiting for your good news."

Ruan Jinhui's advice is nothing more than stalking you When Sebastian Simons chooses her, she will marry Sebastian's house, but she has her own way.

As the car slowly drove off the ground, Ruan Jinhui still felt that the advice was not enough.

She was afraid that she would not be able to accomplish this'honorable' task.

He chased the car with both feet and continued to tell without blocking: "Aya, remember three points: Your mother used all the tricks to seduce men back then. Remember that this is a major event related to the rise and fall of the Yasmine family.

You have to hold the mentality of being benevolent if you fail.-If you don't achieve your goal, you will never give up!" The last sentence, she It almost roared out.

Yasmine Taylor's nails were pinched into the flesh, but her face was calm after years of practice.

Chapter 3: Choosing a Wife

The driver of Yasmine Changfeng parked his car in front of a luxurious villa with a combination of Chinese and Western.

The villa covering an area of 1,000 square meters demonstrated the wealth and dignity of the family, especially the high threshold.

How many women dream of walking in , Although, the last women who had been in came out again.

Yasmine Taylor looked through the car window and scanned the various cars parked in front of the door.

It seemed that even if it was the last day, there were not a few women with a surname who came to try their luck."Miss, let's go in."

The driver Lao Yang opened the car door for her and made a please sign.

She got out of the car and whispered: "Call me Aya, I was scolded when my wife heard you."

There is no eldest lady in the Yasmine family.

There is only one lady in the Yasmine family, Situ Jiao.

The musical fountain in the center of the villa ejected colorful water drops. With the ever-changing music, Yasmine Taylor slowly walked forward, and was led into the side hall by the two persons in charge of the blind date.

After registering their names, she and everyone came to apply. Like all women, patiently waiting to be summoned."The time for the interview is coming soon. Please be prepared. Don't leave in a hurry. Whether you choose or not, our old lady will entertain you at noon."

After the person in charge said, he picked up the registered list and read the number one.

The name of a candidate: "Ouyang Lanlan, please come with me."

A sweet-looking young woman followed him out of the hall with excitement, but within ten minutes, she came back, crying. When they came back, they picked up their backpacks and left ashamed and humiliated...

Then, the second and third... all went happily, crying and crying back, scared to the woman who had not yet been met. Everyone panicked, their confidence was gone, and even the courage to step out of the hall was gone.

Among this group of six godless women, only Yasmine Taylor was calm and composed.

She did not participate in their speculations and discussions. When they discussed how to deal with the rumored devil, she just sent a text message on the phone.

Finally it was her turn. Looking at the sympathetic eyes cast at her, she was not nervous or uneasy. When she left the hall, the driver Lao Yang waited at the door: "Miss, you want me to buy something for you."

Thank you."

She took it and followed the person in charge into a dark room.

The curtains were tightly drawn to block the bright light outside, and there was a dull air that made people unable to breathe but not suffocated.

On the left side of the room, there is a man sitting on a black leather chair, with bright black vertical hair, slanted eyebrows, slender and sharp black eyes, thin lips, and sharp outlines. , A tall, slender but not rugged figure, like an eagle in the night, Leng Ao, solitary but arrogant, and solitary and independent exudes the strength of disdain for the world.

Yasmine Taylor looked at him without fear, and then, sitting opposite him indifferently, opened the plastic bag she was carrying in her hand, took out a large pack of tissues and placed it on the table in front of her. "What are you doing?" Obviously her move was a little unpredictable, and the man raised his dark sword eyebrows suspiciously. "Wipe your tears later."

She replied lightly.

The man was startled, and grinned: "Do you think every woman who comes in will run out crying?" "But at least none of them went out laughing."

"That's because of the question I asked, and their answer made me Very dissatisfied."

"Does every woman who comes in has to answer your questions?" "Yes."

Yasmine Taylor nodded: "Okay, then you can ask."

"Do you know how many times I have left? Marriage?" "Six times."

"Then do you think a man who can't even run a family well has the ability to manage a company?" "I think he is capable, because emotional disputes have nothing to do with work ability, and Chairman Mao does Did not handle family matters, but still made New China established."

The independent and insightful answer, that is authentic and not flattering, is in sharp contrast with the previous women who only flirt and have no opinion.

Sebastian Simons couldn't help looking at her more and asked: "What's your name?" "Yasmine Taylor."

"Go out."

He didn't say that she was qualified or unqualified.

He just shouted at the door: "Next."

"Yes."

Is it right to choose me?" She did not leave immediately, staring at him, and asked neither humble nor humble.

Sebastian Simons was very interested: "Why did you choose you? Give me a reason?" "I have the confidence to be your last wife."

"Oh, the last wife?" He sneered, his eyes ironic: "There is no woman yet. Dare to say such arrogant things in front of me."

"If you don't believe me, you can try, unless you are afraid, I really have this ability."

Haha, he laughed evilly, and he was already aroused by her arousal: "Okay, I will give you a chance for your courage. But remember, it doesn't matter to me who I choose, Because, I don't have any desire to love women at all."

Sebastian got up and left the room, Yasmine Taylor let out a long sigh of relief, and followed out.

Outside the door, the person in charge who had brought her over just now led a woman toward him, and when he saw Sebastian Simons, he asked in amazement, "Master, aren't you picking it?" "It's her."

He pointed his hand back.

Yasmine Taylor suddenly became the focus.

Chapter 4: Flash Marriage

She saw the jealousy and weirdness in the eyes of the woman who had lost the opportunity, and also saw the relief of surprise on the faces of the two persons in charge.

She smiled slightly, not surprised."Miss Yasmine, please come with us to meet the old lady in the main hall."

Yasmine Taylor nodded, giving a meaningful glance at Sebastian Simons, who had a grim expression, and left with the two persons in charge...

This is the rich family, son To pick a daughter-in-law, the son's mother must also look at it.

The magnificent palace-like main hall of the villa, on the navy-blue leather sofa, sits a graceful old lady, who is not like the legendary wicked mother-in-law, with a rare friendly smile on her face."Old lady, this young lady is the young master's target."

The person in charge reported respectfully.

She got up and looked at the woman in front of her, and asked kindly: "Which daughter are you?" "Back to the old lady, I am Yasmine Chang.

The eldest daughter of the Feng family, my name is Yasmine Taylor."

“How old is this year?” “Twenty-four years old.”

“Have you been scared by my son just now?” “No, Lord Sebastian is not such a terrible person.”

People widened their eyes in surprise, and happily asked: “Aren’t you afraid of him?” “I’m not afraid, we had a great conversation just now.”

“Oh my god, that’s great...”

She grabbed Yasmine Taylor’s hands and said sincerely “Then my son will ask you.

If you marry in the future, our family will treat you well.”

“Thank you, old lady.”

Yasmine Taylor walked out of the gate of Sebastian’s villa, and the warm sun came on her face, she closed My eyes said silently in my heart: Mom, I did it. Returning triumphantly, Ruan Jinhui laughed from ear to ear, boasting that her life was good and she could marry a good family.

A good marriage may not necessarily lead to a good husband-in-law.

The better you marry, the less you will end up.

Yasmine Taylor listened to her flattery, only feeling ironic.

They want her to live low and humble.

She wants to live noble.

One day, she will step on all those who once rode on her head. — Jindi Hotel.

Sebastian’s wedding was held here.

The bride is a magnificent and beautiful woman.

The pure white wedding dress appears to be gentle and gentle.

There are not many guests in the lobby, but every one of them seems to have weight.

There is no master of ceremonies for the wedding, and the groom is holding a wine glass during the entertainment. People mistakenly think that this is a buffet banquet.

Sebastian Simons didn't want to hold the wedding, but the old lady of Sebastian insisted on it, because although the son was married for the seventh time, the daughter-in-law was the first marriage.

She didn't want to wrong the seventh daughter-in-law.

I only met yesterday, and the wedding was held today, and that's nothing more than a flash marriage."Hello sister-in-law, please introduce me. My name is Sebastian Qingqing.

I am the younger sister of your future husband."

Yasmine Taylor suddenly appeared in front of a simple and lovely girl with a sweet smile on her white face and her big eyes. , Shining brightly."Hello."

She smiled back at her and fell in love with the little sister at first glance."My sister-in-law looks so temperamental and beautiful, I hope it can be longer this time..."

She was startled, and asked cautiously: "What does it mean to be longer?" "My brother's previous women were married to our house."

How long have you been divorced, so I don't expect you to stay with him forever, but it's okay to stay longer."

"Then how long is the oldest one in the front?" Sebastian Qingqing tilted her head and thought, before answering.

There was a magnetic and cold voice from behind Yasmine Taylor: "This question should be the clearest to ask the person involved."

Sebastian Simons's evil and handsome face was filled with a grinning smile, like a storm that made her temporarily unable to sex. Breathe."The longest is only three months, so enjoy this time."

Sebastian Qingqing tilted her head for a moment. Before she could answer, a magnetic and cold voice came from behind Yasmine Taylor: "This question should be the clearest question to the person involved."

Sebastian Simons's evil and handsome face was filled with a gloomy look. Laughing, like a storm, made her temporarily unable to breathe."The longest is only three months, so enjoy this time."

Chapter 5: Keeping a Living Widow

The darkness erased the last ray of setting sun, and the night was like a velvet curtain in a theater, slowly falling. Before the wedding banquet was over, Yasmine Taylor was taken out of the hotel by Sebastian Simons, to be exact, was dragged out."Where are you taking me?" Standing next to his car, she asked suspiciously."Go home."

"But the guest hasn't..."

She pointed to the hotel behind her, and was interrupted before she finished speaking, "Do you like seeing their sympathetic eyes here?" Yasmine Taylor was startled. , Calmly said: "I don't need anyone's sympathy for the choice I made myself."

"Marrying a man like me, you are destined to be sympathized by others."

Sebastian Simons snorted coldly, his sharp eyes showed no pity. , And some are just gloating.

The car drove to the door of Sebastian's villa.

The doorman on both sides slowly opened the carved iron door.

Yasmine Taylor looked at the four words Baiyun Mansion on the left side of the door, and involuntarily thought of an old saying: Hou Men entered as deep as the sea. , From then on Xiao Lang was a passerby.

Although it is the first time to get married, she has also participated in many weddings.

I have never seen a couple of wedding guests who have not left, but the bride and groom left early.

She sighed that she had married a superb man. Entering the main hall of the villa, Sebastian Simons stopped paying attention to her and went upstairs, as if there was no such person as Yasmine Taylor.

He ignored her, but it did not mean that she would not prove her existence by herself.

Hollowing his steps closely, she came to their new house.

The moment she opened the door, Yasmine Taylor was stunned.

Is this a new house? This is the grave! Is this a place where people live? This is the place where ghosts live! Looking around, there is no third color except black and white."Go into your room."

Sebastian Simons lazily took off his suit and threw it on the bed.

His handsome facial features made no secret of his fatigue. Go back to her room? Yasmine Taylor thought about these words, and asked uncertainly: "Aren't we staying together?" He glanced at her, walked up to her, and asked jokingly: "With my frequency of marrying a wife, if every I live together all the time, so how many women do I have to sleep on in this bed?" "I can't tell that you are quite clean and self-conscious."

"It's not clean and self-care, but I'm afraid of soiling my bed."

She was stunned for a few seconds, and nodded: "Oh, I see, but which room do I live in?" "There."

He pointed his hand to the wall on the right of the bedroom, and Yasmine Taylor looked over, wondering: "Isn't it a painting?" "Open the painting."

Despite the confusion, she did so, and slowly walked towards that one.

A huge landscape painting with a finger on the green onion, the whole person froze instantly.

There was a door behind the painting.

She was seldom moved by certain things.

She was deeply shocked at this moment.

She finally realized and did What a strong mentality the daughter-in-law of Sebastian family needs.

She could imagine how unwilling to cry when those failed women saw this door for the first time."I will live here in the future, right?" "Yes."

"Good, good night."

She smiled lightly at him, turned and opened the door behind the painting, and entered the room like a secret room.

After closing the door, he took a long sigh.

If you don't want to be a failed person, how much courage you need to summon up to say goodnight.

Hortunately, her room still looks like people live, at least it is not only black and white.

After a day of socializing, the luxurious wedding dress pressed her breath like a mountain.

She stretched her hand to her back and opened the delicate zipper.

The wedding dress slipped slowly, revealing the graceful curves of the woman.

The fat-like skin can be broken by blows, it is cleaner than a lotus flower, and more stunning than a rose.

Yasmine Taylor opened the closet, and there was a cabinet full of women's clothing, full of varieties and excellent texture. More importantly, the tags above are still there.

This proved that it had not been passed through.

She picked a slightly conservative nightdress, and when she was about to wear it, the door suddenly opened with a snort.

Her eyes met, she gasped, and the clothes in her hand almost fell to the ground.

If she was not calm enough, she would have screamed.

She hurriedly pulled the blanket on the bed to wrap herself, and she asked with blinking eyes: "Why don't you come in without knocking?" "What's the fear, I don't have the heart to love women, so naturally I won't be interested in women's bodies, even if you are naked After standing in front of me, I would be too lazy to look at you."

He paused: "Do you know why the six wives in front of me divorced? This is one of the reasons. Do you think any woman can bear the grievance of a widow? " Despite the confusion, she did so, slowly walking towards the huge landscape painting, picking on the green onion, and the whole person froze instantly.

There was a door behind the painting, and she was rarely moved by certain things.
